

Quail Lakes Day Camp – Frequently Asked Questions (as of 2.27.2025)

Is there any financial assistance?

We know things can be tough for families, so we try to keep our costs down. However, we do have certain financial obligations (staffing, transportation, etc.) and our pricing reflects that. Unfortunately, we are no longer using Family Resource and Referral. If there are any further questions, please email Malachi@qlbc.org

Are there multiple-children discounts?

Our prices are set to match the cost of the trip as well as bussing cost; therefore, we are unable to provide any discounts for multiple children.

What if my child can attend only part of a day/week?

In most cases that's okay as long as you communicate that with us. However, there will be no discounts for partial days or weeks.

How do I use CampDoc?

Our first suggestion is to access CampDoc from a desktop or laptop computer, not your mobile device. Beyond that, we have prepared a how-to guide that you can access on Quail's Day Camp webpage – qlbc.org/day-camp.

How does Extended Day (pre- and post-care) work?

7:00-8:45 a.m. is pre-care and 3:45-5:45 p.m. is post-care. Extended Day is designed for those parents/guardians whose schedules restrict their ability to drop off and pick up their kids at our Regular Day times. You may drop off and pick up anytime in the pre- and post-care windows. If you are interested in this option, you must select "Extended Day" as an add-on when registering for Day Camp. An additional cost of \$25 per child, per week selected will be added to the original cost.

What if the weather's bad (very hot or rainy)?

Although we have a well-planned schedule, we cannot control the weather. In the case of extreme weather, we will alter our schedule as necessary and provide fun indoor activities.

Where do I check in and pick up my kids? / Where is the Day Camp office?

Room A-116. This room is on the first floor and faces Quail Lakes Dr. Use the parking lot off of Quail Lakes Dr. for easiest access.

How do I get Day Camp information for filing my taxes?

Quail Lakes Day Camp is not taxable childcare; therefore, we do not issue any statements for tax purposes.
