

QUAIL LAKES BAPTIST CHURCH

Welcome to Quail Lakes Day Camp! We have prepared an exciting and fun-filled summer for kids entering first through eighth grade! This is not childcare, this is an intentional - and awesome! - summer program. Each week we will teach kids how to discover the One true God and discover biblical truths. We will have crafts, trips, challenges, and even campus visitors!

It is our purpose to provide your child with a safe, caring environment along with a summer full of entertainment and incredible fun! In addition to the field trips we take both in and out of town, your child will be participating in exciting team building activities on campus led by our talented staff. Specialty camps are also included so that your child can choose to learn and participate in activities like: cooking, art, a variety of games, and so much more.
